BOOK EXCHANGE

Are you an avid reader like me but don't know what to do with all the books after you've read them? Do they just pile up because you hate to throw them away then this may be your answer and you can get additional books to read at no cost? Starting Feb. 5th please bring any books you'd like to dispose of (please don't bring an entire library) to me behind Lane # 11 and you can exchange them for others. We'll see how it goes and if it works we'll probably do it once a month & I'll notify you in the Newsletter what lane to bring them to. Save yourself a couple of bucks, get rid of the books and get some new reading material. Please make sure they're in decent condition!

THEATREOUT

If you have not had the opportunity to attend one of their plays you're missing out seeing some very talented actors & actresses and some great plays. A group of us usually attend each play so if you are interested in going see Bill Moledor or Steve Morris. Their current production is **TICK, TICK ...BOOM!** It's from the Pulitzer & Tony Award Winning creator of "RENT". It's an autobiographical musical masterpiece about the courage required to follow your dreams through life's most difficult challenges. For more information check out their website at www.THEATREOUT.com they're conveniently located on Broadway in Santa Ana, check them out!

JOKE OF THE WEEK – Four Friends

Four friends, who hadn't seen each other in 30 years, reunited at a party After several drinks, one of the men had to use the rest room. Those who remained talked about their kids. The first guy said, My son is my pride and joy. He started working at a successful company at the bottom of the barrel. He studied Economics and Business Administration and soon began to climb the corporate ladder and now he's the president of the company. He became so rich that he gave his best friend a top of the line Mercedes for his birthday.' The second guy said, 'Darn, that's terrific! My son is also my pride and joy. He started working for a big airline, then went to flight school to become a pilot. Eventually he became a partner in the company, where he owns the majority of its assets. He's so rich that he gave his best friend a brand new jet for his birthday. The third man said: 'Well, that's terrific! My son studied in the best universities and became an engineer. Then he started his own construction company and is now a Multi-millionaire.. He also gave away something very nice and expensive to his best friend for his birthday: A 30,000 square foot mansion. The three friends congratulated each other just as the fourth returned from the restroom and asked: 'What are all the congratulations for?' One of the three said: 'We were talking about the pride we feel for the successes of our sons. ...What about your son?' The fourth man replied: 'My son is gay and makes a living dancing as a stripper at a nightclub. The three friends said: 'What a shame... what a disappointment!' The fourth man replied: No, I'm not ashamed. He's my son and I love him. And he hasn't done too bad either. His birthday was two weeks ago, and he received a beautiful 30,000 square foot mansion, a brand new jet and a top of the line Mercedes from his three boyfriends.
